## Highlights

### DISCOVER OUR CITY

The Acapulco city tour takes you to the most interesting and historic points in Acapulco including the main square and the hotel zone.

Continue on to the three special and most important areas in Acapulco the Traditional, The Golden and the Diamante zone where you will have the opportunity to stroll through a different variety of Attractions that only Acapulco has to offer.

### DISCOVER OUR HISTORY

Visit Acapulco's historic sites, from the 18th century Fort San Diego, the legendary Hotel Los Flamingos once owned by Johnny Weissmuller "Tarzan", the Diego Rivera murals and the chapel.

You will visit Las Brisas, beautiful residential area, and the chapel of peace. This memorial chapel features the famed Trouyet Cross and offers superb views of Acapulco's bay. A short stop will be made to enjoy the chapel then you will be able to admire the colorful murals of the Mexican who was Frida Kahlo's husband.

### THE MARVELOUS COYUCA LAGOON

Famous for the exuberant and colorful vegetation, Coyuca Lagoon has been the location for many Hollywood movies. The moment the boat arrives to the heart of the lagoon, we will transfer to smaller boats that cruise along its thick vegetation.

### NIGHT LIFE TOUR

As the sun goes down, Acapulco's nights come alive. Acapulco's nightlife is legendary. With an endless array of clubs, bars and discotheques for all music preferences and for all ages you will never have the time of visiting them all. Most venues are open until sunrise. Dancing at one of the hillside clubs with a full view of the bay through floor-to-ceiling windowpanes is an experience unique to Acapulco.
