Highlights

SANTA LUCIA RIVER WALK

Tour the Santa Lucia Riverwalk, which runs for 1.5 miles (2.5 km) between foundry park and the esplanade of the heroes in the center of the city. you can go by boat or walk with out having to cross a street. along the way you'll see a beautiful landscape with 24 fountains, special lighting and lots of people out walking.

STEEL MUSEUM

A one of a kind science and technology center. It is located inside "Parque Fundidora", in the restored structure of the first steel plant in Latin America: "Compañía Fundidora de Fierro y Acero de Monterrey", whose production activities ended in 1986. horno³ provides multiple interactive areas that enforce scientific and technological education, commemorating the history of steel and its in.

FUNDIDORA PARK

The outing begins in foundry park, which you will find full of interesting places to visit, the park has nature, culture, enjoyment and entertainment, all in the same place. Later night in the park, we will get into a boat that will take us down Santa Lucia Riverwalk.
